Mr Daniel Del Vecchio

Mr Daniel Del Vecchio is a Harvard and Yale trained Board Certified Plastic Surgeon practising in New York, Boston and in London. He has 20 years of experience in large volume fat transplantation and has published numerous papers on fat grafting to the breast and buttocks, and clinical research on the cause of pulmonary fat embolism using dynamic cadaver studies.

Mr Omar Tillo

Mr Tillo is a UK based Plastic Surgeon practicing in Central London and was the first surgeon in the UK to introduce the Ultrasound Scan Guided superficial gluteal lipofilling into the routine and regular practice. Most recently he worked with BAAPS and key international authorities to produce the new national guidelines outlining the safety standards for gluteal lipofilling.
