

CADOGAN
CLINIC

The Best
Consultants,
the Best Care.

Cadogan Clinic, London's Leading Cosmetic Surgery Specialists.

Cadogan Clinic is a leading specialist cosmetic clinic based in the heart of London.

We've handpicked some of the world's leading surgeons, all experts in their field, to provide a full range of cosmetic surgery procedures at our clinic.

All our operations are performed onsite, at our purposebuilt, private facility, conveniently located in Chelsea.

We're home to specialists in all the major areas of cosmetic surgery, from liposuction, to breast augmentation and a comprehensive range of face and body treatments.

We're also pioneers in the stem cell field and offer an array of cutting edge, minimally invasive procedures unavailable at any other clinic. Whatever treatment you require, we can provide the right surgeon – or team of surgeons – for you.achieving your aesthetic goals.

An integrated approach, excellent service

Everyone you meet from our surgeons, to our theatre team, and nursing staff are specialists in the cosmetic surgery process. Between them, they have safely provided for several thousand cosmetic patients since we were founded in 2008.

As a fully integrated cosmetic clinic, we can also provide the very best aftercare to ensure the very best results.

Our on-site team of aestheticians, dermatologists and laser specialists are perfectly placed to ensure your recovery process is properly managed, and that you are properly cared for after your procedure.

Long lasting, natural results

We believe in the safe delivery of excellent outcomes and results, and reducing downtime wherever possible. Medical ethics are at the heart of everything we do.

This means we are committed to the delivery of natural, long - lasting results, delivered by as minimally invasive means as possible.

If we think you could receive the same results, or better, via less invasive alternative means, we will recommend you to one of our many in-house specialists for an alternative treatment plan.

If you do proceed with surgery, we make sure to employ the very latest anaesthetic technologies in order to reduce your downtime.

What Our Patients Say About Us...

“” I am really pleased I went to this Clinic. It can be really quite daunting and worrying when deciding on surgery and where to go, but the team here are great, in particular My surgeon and the nursing staff

**Liposuction Patient,
Mr B.R.**

“” The team at Cadogan were unbelievable. So incredibly supportive and the whole procedure was done so beautifully and professionally. I was so nervous as this was the first time I had surgery but the whole team were so reassuring, and I felt safe

**Abdominoplasty
Patient, Ms I.T.**

“” My surgeon listened to what I wanted and made me feel at ease about the procedure. You could just tell he was skilled by the way he explained the procedure. One week on, and I couldn't be happier with my results

**Abdominoplasty
